Mr. Richardson stated that he takes pride in the town and he would not do anything to mess the town up. He said he is building a fence on his property to keep people from dumping trash on his property. He said that has been an ongoing problem for him for a long time and for the past eight years he has put time and money on his many borders of the town to try to eliminate the dumping of trash. Mr. Richardson said there has been some graffiti and defacing of his property that stated various sayings such as “Goat Man Go Away” etc. Mr. Richardson said that he had a suspicion of where that began and a suspicion is only good as a suspicion. Mr. Richardson said if someone had asked him he would have told us that he was not putting any goats on his property.

Alderwoman Slocum said that she was told that he was going to put goats back there but apparently that is not true. After further discussion, the Mayor said a concerned citizen asked him if he address to see if we had any ordinance governing the animal situation.
